

This edition

"TRIOS of world music" vol. 2 (MVK 171705)

contents the following voices:

- **accordion/keyboard instrument:** elaborated chords and harmony sequences in typical local style, melodic passages and chord symbols (supplement no. 1)
- **traverse flute:** melody part, in selected comfortable pitch (supplement no. 2)
- **first violin:** melody part, from easy to moderate (supplement no. 3)
- **second violin:** multi-faceted accompanying part, a delight for experienced musicians (main volume)

Table of contents :

1. **"Pirame mazi to dromo"**
("We've gone the way together"):
Greek joy of life and sheer pleasure in dancing at its finest
2. **"Orient and Occident" ("Impressions of two star nights"):**
mystical, dreamy, mysterious ... with tender "pastel-coloured" sounds
3. **"Spanish rhapsody":**
an eruption of Latin emotions in rhythm and harmony
4. **"Hungarian gypsy dance":**
a vivacious and cheerful composition with terrific accelerations and multi-faceted timbres
5. **"Yoshke, Yoshke":**
one of the most finest klezmer melodies ... full of ideas, in a virtuosic and sparkling arrangement
6. **"Istanbul":**
join us on an exciting journey to the Bosphorus; await Oriental rhythms, surprising metric changes, extraordinary chord sequences and exotic scales
